The federal government recently issued a national disaster declaration for mid-Michigan due to recent flooding. As part of this declaration both the Federal Emergency Management Agency (FEMA) and the Small Business Administration (SBA) are now accepting applications for relief in Bay County. Individuals in Bay County seeking assistance due to the flooding may now apply for grants with FEMA and loans through the SBA.

If you are a **Bay County resident or business owner** who has had structural damage caused by the recent floodwaters, or had floodwaters inside their home or business, you must register with FEMA and SBA before October 2, 2017, to apply for benefits by [completing a flood damage application](#). This includes physical damage as simple as a damaged carpet, or larger structural damage. Additionally, it includes any economic impacts like paying for a hotel or loss of work.

To contact FEMA for assistance, please visit www.disasterassistance.gov or call 1-800-621-3362 (voice, 711 or VRS-Video Relay Service; TTY 800-462-7585.)

Representatives from FEMA and SBA are also at a Disaster Recovery Center in Bay City to answer questions on disaster recovery, written correspondence from FEMA, and the status of your application.

The Disaster Recovery Center is in the Bay City Town Center at 4101 E. Wilder Road, Bay City, Mich., 48706. The center is open 8 a.m. to 6 pm. Monday through Saturday.

If you need help in another way, do not hesitate to contact my office in Flint at 810-238-8627.

I hope that you will stay in touch with me so I can best represent you. I encourage you to follow me on [Facebook](#), [Twitter](#) and [Instagram](#), and sign up for my newsletter at <https://dankildee.house.gov/contact/newsletter>.
